The Coalition of Homeless Services Providers (Coalition) is the County’s designated Continuum of Care (CoC) Coordinator. A CoC represents the totality of services and housing available to individuals and families in crisis/homelessness within a defined region. Monterey and San Benito Counties merged CoCs to create an integrated, regional approach to addressing homelessness.

The Coalition is a nonprofit organization whose board of directors is comprised of local agencies that operate emergency shelters, transitional housing, permanent supportive housing, rapid rehousing, street outreach, affordable housing developers, recovery services and other vital services that assist the homeless population. The Coalition serves as the lead agency for the Coordinated Assessment and Referral System, Homeless Management Information System, Homeless Census, Homeless Data Analysis, assists with the development of strategies to address homelessness and is the gateway for many federal and state homeless funding programs.
The Community Action Partnership (CAP) was established in 1964 during President Johnson’s “War on Poverty.” CAP funding today is drawn down through Community Services Block Grants. The CAP is designated by the County Board of Supervisors to specifically provide a focal point to coordinate and plan for the provision of community services that support, assist, and empower low-income people and to improve their quality of life. The CAP engages in three major activities to achieve this mission: contracting with nonprofit and public agencies for services, collaborating with community stakeholders, and supporting educational community activities.

In partnership with the Coalition of Homeless Service Providers, the Community Action Partnership has compiled this guide to assist the community in connecting to resources that serve the homeless and at-risk populations in Monterey County.

This guide to homeless services in Monterey County is comprised of public and non-profit resources. The guide is not exhaustive and every effort has been made to include accurate and current information. It should be emphasized that services in this community are frequently changing and the details regarding specific services provided should always been confirmed directly by the individual agency. The inclusions of services into this guide do not imply recommendation or endorsement.
