## ABOUT US

Orphan Productions provides counseling services to assist with securing housing, financial security and appropriate healthcare. We operate a Safe Parking Program with the goal of providing safe overnight parking with wrap-around counseling and supportive services. We work with individuals and families who are ready to transition out of homelessness.

Ultimately, the Safe Parking Program is a “means to an end” and not an end in and of itself. The aims of our program are to help individuals and families find:

- 1- Housing
- 2- A source of income
- 3- Access to health care

## HOW IT WORKS

Clients seeking to participate in this program take part in an intake assessment to determine eligibility. Ongoing counseling is designed to identify immediate crises and establish long-term goals.

Once accepted, each participant will have access to safe overnight parking and is required to attend regular meetings with program staff to assist in reaching the participant’s goals.

## PROGRAM REQUIREMENTS

- Proof of Monterey County residency.
- Valid CA driver’s license, CA vehicle registration & insurance.
- Agreement to work cooperatively with program staff.
- Shared program goals of obtaining housing, a source of income, access to adequate health care.
- Development of a plan to save money for future housing.
- Monthly assessment of progress for parking permit renewal.
